Honorable Judge James Farnan

Sir This is To inform The Honorable Court That as in my sute case NO 05-084-JJF I Talked About Retaliation That I was and am Reciving in DCC As of To day in The past Two week or so I've experenced a esculating Leral of Retalitory abuse from officers in DCC not only have I've been denied a call The The Clerck of The court To ask a question but also have been Refused calls To my attterney . Approxumently 2weeks ago office Thomas did not give us razors on fryday The Counsler came on The Tier I aske him if he could get us razers he said no That Thomas had To officer Thomas Slams my gate Closed and started up The stairs saying very Loud The entire Tier heard quote I you wernt a child molester you'd sigh off I ask what she said she reaped This This was done in front of The Counsler I asked To speak To him he and Thomas and guard (John doe) egnore my request and request for a grevance

and Left The Tear I put in a grievance later. Then last week after Rec I went To my cell I declined on The shower my Towl was in my dirty clotes we only get one Towl officer Thomas says To officer Boston That I was Taking a shower even if I have To dry off with my clothes and call me a stinkin Bitch while in my cell I said she was a moron which officer Boston Told officer Thomas. I complied and Took a shower when in The Shower officer Thomas officer Boston and (Whorloe) Trashed my Cell Taking 1 extra cup 1 extra coffee cup and one extra bowl ~~the~~ Then To day I receive a wright up That states I was disordly That I had a fire hazard ie my newspaper (a box of trash craker box) and Threatning behaviour and That I said "some one should Slap That Bitch" which is a Lie I have witness'es That will Testifi To That This retaliation extends To officer Ballange who I've Requested cleaning material and refused not untill

officer Peck and (ohh doe) Henson?
 allowed me a sponge and sprayed
 my floor. officer Peck saw the
 condition of my floor. To day
 30 may LT Seacord brough The right up
 ask if I plead not guilty which
 I did asked if I had witness I said
 yes but would name them later he
 marked no. he allowed me one
 question I ask why I can't get
 a "Legal Call" he said The Last
 Time he call The Public defender office
 They didn't know me, That was The
 day The Federal inspector Took my information
 and I had a "paid attorney" and caught
 LT Seacord in a Lie in front of The
 inspector is "Minners Task Force" since
 then I Been refused 3 Times
 one To your Court and one on The
 3rd of may and one a week ago
 I have copy's These were To my attorney
 Then off LT Seacord gave me no more
 response This To is either
 Retaliation from him on The
 day officer Thomas is destroying
 them never The Less The abuses
 are not stopping The attempts
